We love to save animals

Announcing our 1st electronic newsletter!

We promise to continue to put out our hardcopy newsletter but to begin our more "Kind to the environment" phase we will do electronic newsletters from time to time.

## This is Alvis!

Alvis is a big hand-some Terrier about 8 months old. He weighs about 60 pounds, and is still growing.

This large fellow will need some

additional training as he grows.

Alvis would love an active family that would take him on long walks as he likes to meet new people.

He also likes to go "bye bye" in the car.

# Meet Sweet Lily

Lily was found wandering the streets looking for food. A very nice man tried to take her in but she did not work with his current cats. When Lily arrived at the shelter we noticed something different about her. After a vet visit it was determined that one side of her face did not develop as large as the other side. It doesn't affect her health just her looks. Though she may look a bit different, in her heart she is beautiful.

## ANNOUNCING....

HELP the Animals will once again take part in the annual Alternative Gift Fair.

What is the Alternative Gift Fair you ask?

It is a place where you can purchase a gift for:

- 1) people who would welcome holiday gifts with less emphasis on material gifts and spending.
- 2) people who love to give better than receive
- 3) Aunt Sue and Grandpa who don't want or need another gift to store. You can give a gift to the Not for Profits that they love, and give them the gift of knowing their gift helps someone else.

**WHEN: December 6th 12 - 3 P.M.**  
**WHERE: Morrisson-Reeves Library**  
**Stop and visit our table.**

# Please sponsor a shelter dog or cat for HALLOWEEN

Your \$10 donation will provide a tasty treat & care for a special dog or cat waiting at HELP to find their forever home.

The scariest thing this Halloween is how many good people have had to give up the pets they love.

These pets are waiting in our shelter, wishing to have a home and a loving family to call their own.

Our animals are dressing up for Halloween and trying to have fun BUT they are always wishing for that certain wonderful person to come and fall in love and give them the forever home they want.

Your donation allows each animal to receive a special treat and care, it also allows us to continue to offer homes to the many dogs and cats who are losing their homes through no fault of their own.

*You will receive a photo of the dogs and cats you have sponsored.*
