

## TAKE A WALK with Your Best Friend

and Raise Funds to Benefit  
H.E.L.P. the Animals at the 22<sup>nd</sup>

Annual **"Bark In The Park"** Petwalk on Saturday, July 27, 2013, at Glen Miller Park.

Join us to celebrate the unconditional, unwavering and unmatched love and dedication our 4-legged friends have given to us over the years. Help us raise funds so that we at H.E.L.P. the Animals can continue to care for, and find homes and families like yours to adopt those pets who have been lost, neglected, abused, abandoned, discarded or perhaps have been separated from their families for unavoidable or economic reasons.

We will have lots of food and fun with vendors, demonstrations, contests and a variety of entertainment sure to delight all ages.

Registration will start at 9:00 A.M. with the Walk beginning at 10:00 A.M. An event flyer and registration form is included with this newsletter. If

you or your business would like to sponsor a banner, please contact Sam Hogenauer at (765) 855-3014 or hogensa@earlham.edu. Please visit [www.HelpTheAnimalsInc.com](http://www.HelpTheAnimalsInc.com).

future for Richmond & Wayne County, Indiana**

# Richmond's Moose Lodge Comes to the Rescue

Cat rescue that is! When Jason Shull, of the Richmond Moose Lodge #167, told HELP that the Lodge wanted to do something for the animals, Board Chairman Susan Beeson immediately thought of the long standing need for adequate cat housing that would not harbor bacteria, allowing us to stop the spread of illness among our cats. The shelter needed something easy to clean and disinfect, something that would allow the cats to remain in groups for socialization but maintain separation when necessary. The Moose Lodge was behind the idea with funds to purchase and install enclosures in the main lobby. Former Board Member Sheila Zwickey added additional funding to complete the project. Thank you Jason, the Richmond Moose Lodge and Sheila for their generous donation. The cats LOVE their new homes.

## You Can Make a Difference!

When you become a “Guardian Angel Sponsor” for either the shelter or for a specific cage or kennel, you are helping to provide the necessary funding to allow HELP to continue to provide food, shelter and veterinary care to all of the animals in our care while they await their “Forever Homes.” As a Not-for Profit organization, HELP depends on tax-deductible donations to fund operations. Yours can make a difference! Learn more about the Guardian Angel program by visiting our website at [www.helptheanimalsinc.com/sponsor.php](http://www.helptheanimalsinc.com/sponsor.php).

-----  
Donations to HELP are always welcomed and greatly appreciated.

# LEMONADE DAY KIDS Make A Difference

H.E.L.P. the Animals is blessed to have such wonderful Lemonade Day kids. Their efforts continue to enrich the lives of the animals at our shelter. The generosity of these young entrepreneurs continues to grow, as they show their support and devotion to the animals in our community. Their contributions allow our animals to grow and prosper in order to find their "forever" home.

Lemonade Day was started five years ago in Wayne County to enrich the lives of our young entrepreneurs. Many of these kids generously give all or some of their proceeds from their lemonade sales to HELP. They work tirelessly to build their Lemonade Day stand, set up and show enthusiasm to bring in customers each year. These efforts continue to put a smile on everyone's face at HELP.

## SPOTLIGHT on Rescue

Appropriately christened “*Madonna of the Trail*,” now Bella, this female Pittie mix was found along a little used path by a pair of boys one morning. She was chained to a tree along this path so overgrown with weeds that the chain had to be carefully removed from the dog’s neck to free her from the maze of tangled weeds and tree limbs. She had patches of missing hair, was covered in fleas and terrified.

**Shell Young with Bella**

According to Shelter Manager, Jayne Knox, “she was poorly cared for, obviously had been abused and was left in the woods to die.”

Bella was brought to the shelter, treated for her immediate health issues and is now entering into the process of healing both physically and emotionally from her past. She will be offered for adoption when staff feels she is ready to start a new life with a loving family who will provide her with the kind of family and home she deserves.

HELP will continue to work with Animal Control and the Richmond Police Department to locate the person responsible. If you have any information on this dog, please call the shelter at 765-962-6811 or RPD at 765-983-7247. RPD will file abuse charges and make an arrest when the person is located.

***Animal abuse is on the rise in Richmond. Please report any cases of abuse you see. We are their only voice. Leaving dogs on a chain 24/7 or left out in the sun without shelter, food or water is against the law. Please do what you can to put a stop to this crime. We at Help the Animals thank you.***

## KITTENS, KITTENS, KITTENS

“Kitten season this year has been extremely busy!” according to HELP Kennel Manager Shell Young . “We have 50 plus beautiful kittens waiting on their furever homes.” If you or someone you know is looking for a wonderful and loveable kitty, please come and visit us at H.E.L.P. The Animals.

We also have many beautiful adult cats waiting on homes. Cats and kitty's make the perfect pet!

# Training is Key to a Happy Pet and a Happy Owner

HELP the Animals recently held its first Puppy Obedience Class\*. In this class, puppies are taught how to be properly socialized, to sit, stay, down and other basic commands. Puppy owners also learn how to handle their dogs in many different

situations. A properly socialized puppy grows up to be a great dog. “Puppy classes help prevent future behavior problems,” says HELP Shelter Manager and Training Instructor Jayne Knox, “I am very proud of our first graduating puppy class!”

## Additional classes to be offered at H.E.L.P. the Animals

### Basic Obedience\*

We focus on teaching you how to train your dog to *Sit, Down, Come, Stay and Walk on Lead*. You will also learn how to get and keep your dog’s attention, how to make a behavior reliable, exercises to help avoid aggression, how to solve common problems such as jumping up and more! Deleted remainder of this paragraph.

### Introductory/Intermediate/Advanced Agility\*

Agility is *FUN*, pure and simple. Agility is a sport in which dogs run through obstacle courses directed by their owner/handlers. Dogs who are normally bored by the repetition of obedience will often shine in Agility, and because it is a team sport, it fosters a special bond between you and your dog in addition to providing loads of fun for both. Any dog over one year of age and in good health, weight and physical condition can participate. *This sport is great exercise for both dog and handler. Try it, you won’t be disappointed!*

\*These classes will be offered based on interest and demand. Register your interest or get more information by contacting Jayne Knox (765-962-6811 or [HELPTHEANIMALSINC@COMCAST.NET](mailto:HELPTHEANIMALSINC@COMCAST.NET)) or Diana Neanover (765-488-1254 or [dneanover@gmail.com](mailto:dneanover@gmail.com)). Watch our website at [www.helptheanimalsinc.com](http://www.helptheanimalsinc.com) and our Facebook page at [www.facebook.com/HelpTheAnimalsInc](http://www.facebook.com/HelpTheAnimalsInc) for details regarding upcoming class dates/times.
