HELP the Animals Receives Challenge Match from Wayne County Foundation

HELP the Animals is happy to announce that Wayne County Foundation has matched \$4,000 in their Challenge Match program. HELP the Animals supporters came through for us with \$4,000.

This money will be used to upgrade our Medical Room which had over the years slowly deteriorated through moisture and much use. At this point it is barely usable, so this renovation will allow us to isolate and medicate many more animals who would otherwise be turned away.

We would like to thank all of our supporters for making this happen.

Sincerely,
HELP the Animals, Inc.
