## **HELP the Animals Recieves Wayne County, Indiana, Foundation, Inc. Grant to support the window replacement project.**

We are thrilled to be granted \$8,000.00 in support of replacing the outdated and very old windows for the dog housing section of the shelter. The grant was made possible through the Wayne County, Indiana, Foundation, Inc. by the Charles and Maxine Matthews Environmental and Animal Welfare Fund and the Miriam D. and J.Rolf Wadman memorial Fund No. 1.

The current windows do not open, are covered in plastic as insulation and the framing is weather worn and disintegrating. This grant will allow us to install new modern windows that will provide fresh air circulation and sunshine to the back dog kennel area. We are so excited and humbled to be recieving this generous grant.

Sincerely,  
HELP the Animals, Inc.
